

PC Capital - Private Equity VP

About us

Founded in 2008, PC Capital is a Mexico City-based private equity firm currently managing three investment vehicles focused on high social impact in Mexico and Latin America. PC Capital has successfully invested in the education, sustainability, food, and financial sectors and is a member of the Mexican Association of Private Capital (“AMEXCAP”) and the Latin American Venture Capital Association (“LAVCA”).

Position

PC Capital is looking for a VP for its investment team, aiding existing portfolio companies and evaluating new investment opportunities. The selected candidate’s responsibilities will include:

- Teamwork management
- Financial modeling and company valuation
- Industry research and presentations
- Assist in transaction execution and M&A operations
- Due Diligence follow-up
- Investment memorandums
- Provide ongoing monitoring of assets within the firm’s portfolio including review of monthly operating results and maintaining project performance
- Assist other strategic initiatives
- Investor’s reporting
- Relationship with investors
- Structuring of new investment vehicles
- Active participation in investees committees and board meetings

Qualifications

- Bachelor's Degree or equivalent - Business, Finance, Economics, Engineering, or equivalent.
- Strong preference for MBA and/or or CFA certification
- Working experience in IB, PE, Management Consulting, or similar field.
- Excellent communication (written & verbal) and interpersonal skills
- Excel and Power Point skills
- Proficiency in English and Spanish
- Full-time Availability
