

## ***Investor Relations Internship***

### **The Opportunity:**

We are looking for an Intern to join our Investor Relations & Fundraising Team to support Dalus's Investor Activities and Communications. This is an incredible opportunity to participate in one of the Venture Capital fronts of Latin America, and learn first hand about fundraising alongside a diverse and inclusive team with an empowered role that will accelerate your learning trajectory.

You will collaborate to identify potential investors, performing due diligence and keeping our current investors up-to-date on the fund's activities and performance.

### **A Typical Week Might Include the Following:**

- Participating in calls and meetings with high profile investors
- Working with the Investor Relations & Fundraising team updating fund documentation
- Helping respond to due diligence requests from potential investors
- Participate in firm-wide media relations activities & strategy, including updating our investors' deck
- Performing market research to answer investors requests
- Support for internal and investor related reporting

### **You Have or Are Good At:**

- Proactive and highly motivated
- Attention to detail
- Very strong analytical skills, critical reasoning, and research capabilities
- Fast learner in dynamic environment
- Excellent verbal and written communication skills in both English and Spanish
- Information analysis and synthesis abilities
- A passion for technology and its impact in creating a positive change in the world

### **Characteristics of the Candidate:**

- At least 80% academic average
- 6th semester and above (studying Finance, Business, Economy, Engineering or equivalent careers)
- Weekly availability: ~ 25 hours (flexible hours)

### **We Offer:**

- An empowering and flexible working environment with strong values
- A diverse organizational culture, open to new ideas and methodologies
- Ample possibility for professional growth and an attractive compensation
- The opportunity to work closely with one of the most experienced Venture Capital teams in Latin America

### **Location:**

Currently and in the near future, all operations are remote, but our offices are in CDMX and Monterrey, Mexico

### **About Dalus Capital:**

[Dalus Capital](#) invests in the best entrepreneurs who are leveraging technology to develop scalable solutions for significant problems in Latin America. The team has supported several innovative startups to achieve significant success within the region, including Clip, Luuna, Algramo, Revelo, and Kubo Financiero.

**How to Apply:** Please fill out the following [form](#) if you want to jumpstart your career
